Besides what's wrong with being together?
Don't act like you don't know
Go home I will go home by myself
Oh!

Eshild,
There won't be Leo and Eshild anymore
It will only be royal knight Vada and Ms Barder
Why ?
Why does it have to be so complicated ?

Because you are the only woman in Ramira who has been granted with a powerful right.
Yeah ?
What right are you talking about ?
You do know what I am talking about
Why don't you tell me something
Why don't you tell me who the king is dying to see

If all you really care about is the king,
Shouldn't you be looking for you-know-who ?
If I were you, I'd do that for the king

It is safe to say that his revolt was successful

Anatoria royal castle

The king's son ... is now on his way to destination.
How long will it take to get there ?
It's really a remote region It's expected to take a week to ten days
Enough time to die
Yes?
Killing himself rather than living shamefully should be the way for the prince He can't even do that because he's mentally challenged ?
I can always help to do it

www.janimes.com

He's too ambitious
He's not like the former king. He's very active. Besides, he has some strong attachment to Ramra
I don't see much changes just because he took over the throne
It's been said that he has inherited Reuten Tor's personality. You know how Reuten Tor was...ruthless and cunning
I mean every king is ambitious in their own ways. A king is not really a king without ambition
Sire?

.... Lord Vaida, what do you think ?
It's been confirmed that he has built large armies for the revolt Still it is hard to believe that Anatoria's royal army didn't stand a chance. After all, the army was known to be the strongest of all.
Even so I do not think Anatoria will be able to gather more men. Starvation has been common in Anatoria for years He may even have to disable a large portion of his armies
For his benefit, he will gladly break R.S.A. treaty.
Economy is collapsing and food is low I don't think he will attempt a national war
That is why he may invade us
Citizens who are used to peace will want to keep peace But once blood is shed and violence becomes solutions to everything They will want blood Perhaps that is why Skade was successful in his revolt
I doubt that he will be fool sh enough to attempt a national war

Is it over yet ?
Not yet the door s closed f rmly
But the k ing hasn't had his lunch ...
t s really urgent I th nk you should wait ns de it may go on for hours
Hr ng mercenar es s the same as tell ng them we are ready to have a war
We w ll do it secretly
Not poss ble it s not ke we are go ng to h re few it w ll be thousands

You are 17 now Stay ns de and learn sew ng and cook ng
But
Okay
I am not scared of you But I guess I w ll have to play along sn ff

If you want to see me, mimic a cuckoo three times in front of this cave. And don't tell anyone about me.
Oh my you did it again ?
Aren't you afraid of me ?
No
But my scar
Appearance doesn't necessarily reflect one's mind

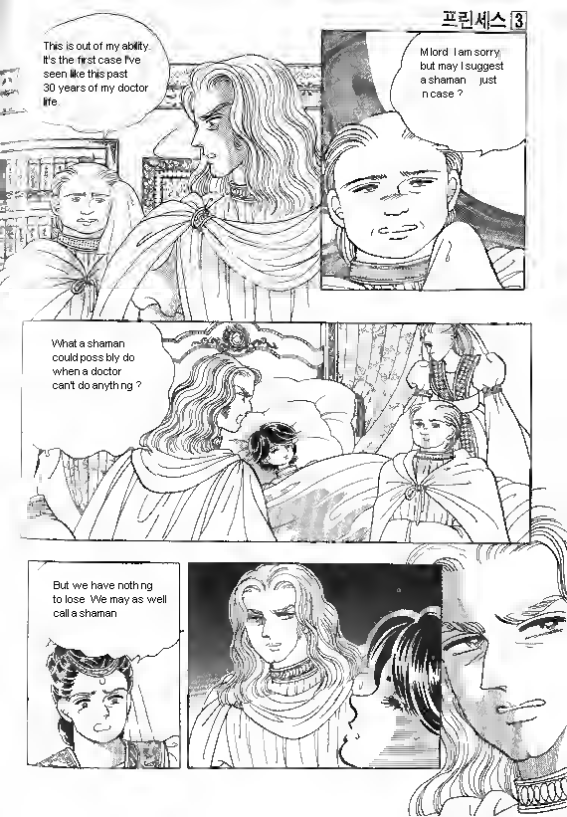
Hiro is in danger ?!
Doctor says he can't do anything...
what's his illness?
He doesn't know.
His fever is too high for him to stay awake now. He's dying.
Hiro



This is out of my ability. It's the first case I've seen like this past 30 years of my doctor life.
M lord I am sorry but may I suggest a shaman just n case ?
What a shaman could poss bly do when a doctor can't do anyth ng ?
But we have noth ng to lose We may as well call a shaman

Two important stars . .
One is ... not in this world yet . .
And the other ...
The other star is very dangerous to his own star ... They seem to be bound as rivals. And the star is effecting him.
What ? Are you saying this "the other star" is making him sick all the time ?
I am afraid so.
What can be done ?

He will not die from it.
It's blurred. However, I can certainly feel something big in his future.
What k nd of treatment s that ?
Dear !
If you know there s a r val n h s fate I am sure you know where it s !

You must be lonely s nce Ha ga went to Ram ra for the party Why don't you stay at the castle
I heard Anator a d din't I st any cand dates ?

Father worked hard for it. But you seem to ignore this.
How is Theodora?
She s l v ng outs de of the castle. She s g ven enough money to l ve on
You don't need to worry about the country. Just do your job as a w fe
But you should really get marr ed. You are much older than the k ng of Ram ra
And the k ng of Ram ra should be getting marr ed soon. Don't you feel resented about th s ?
I told you. My br de needs to grow up more

Today is
farewell day

Already few as s
it has become even

I was told that

She wasn't n a good mood last n ght So I was go ng to make her favonte d sh But she s gone
Leave her be She w ll be back when she feels Ike
People ve been talk ng about it pretty loud
Today s the k ng s 18th b rthday
I am sure she d know

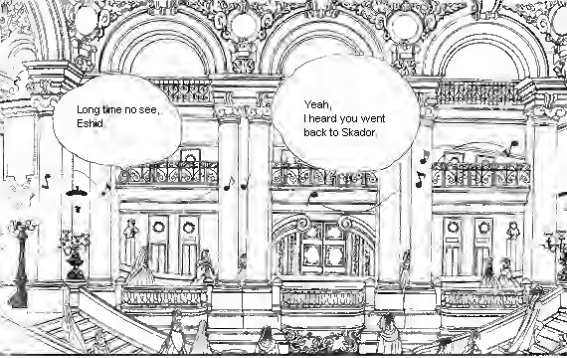
Were you scolded ?
Are you angry at me ?
It feels weird to see you not talk at all
I am not good at this kind of stuff

I know we promised not to talk about each other.
But can I ask you something ?
When you are l v ng in a place l ke th s don't you have someone you want to see ?
I am an orphan
I don't know what my parents look l ke
I am sorry

You don't need to feel sorry
Any friends ?
Your hometown ?
Nothing ...
I've been living pretty much alone in my entire life So you know
I don't like this place
I want to go back
This place is too lonely

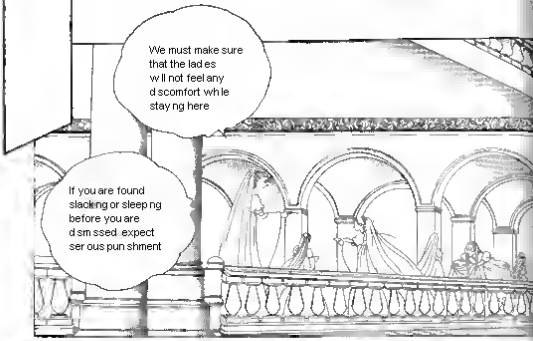
Whenever I woke up n m ddle of n ght
I felt so lonely
Even f I do go back
There sn't most l kely any place for me
Perhaps the pr nce I know has no place for me anymore
And a fact that I should not return s just pa nful to bear

Do you want me to take you to the town ? I need supplies.
No, it's getting late. Vasa will be worried.
I have to go
B
If there is anyth ng I can do..just tell me
Thanks Se

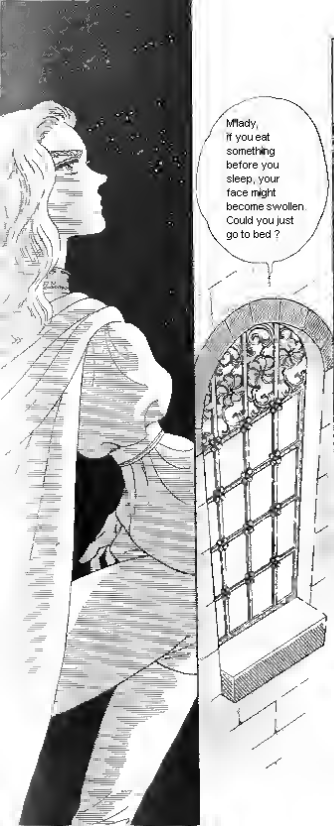


Long time no see, Eshid.
Yeah, I heard you went back to Skador.

I heard social activity in Ramira is pretty much dead.
Well, people of Skador love parties. But this is Ramira.
I can't believe there hasn't been any parties in this elegant castle.
It s unfa r that only one woman get to keep the handsome k ng
They should ncrease number of female servants n the castle
I th nk one s more than enough though



We must make sure that the ladies will not feel any discomfort while staying here
If you are found slacking or sleeping before you are dismissed expect serious punishment



No one cares about my face.
So, just get me night snacks. I am going to read books.
M'lady, if you eat something before you sleep, your face might become swollen. Could you just go to bed ?
You should get enough sleep! It's going to take hours just to get ready in the morning

I can't sleep with my feet like this ....
If I have to walk around with high heel everyday, I'd rather die.
Every noble woman gets to live like that
I am not sure whether it was fortunate or unfortatune but there was no queen in Ramira for a long time So there hasn't been many gatherings for females So you lived pretty much peaceful time
But from now on, you will be starting social activites So you need to learn to bear
This is only tip of ceberg
I know ....
Even if I get married to the king I will only be a puppet queen
This is not what I wanted
www.jaimes.com

Mlady
You've reached a point where you can't just do what you would like.
You are the daughter of Barder. You have your duties to fulfil as the only child of Barder.
You should forget what you should forget.
That's the way of a noble woman.
Lord Vadia you should not meet him privately anymore.

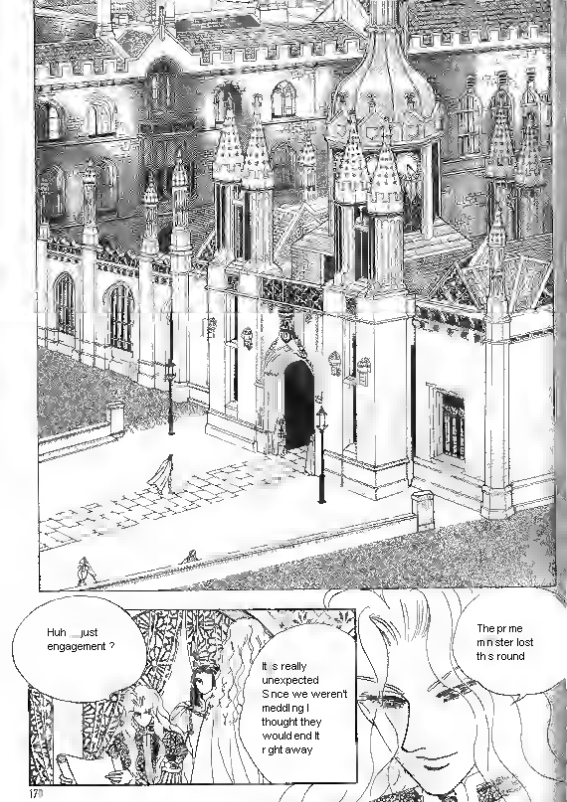
Is it from Ren ?
Yes

It's been a while.
His messages have to go through my relative in Ramira. So, unless it's really urgent. He can only send progress report
I was really surpr sed that you d dn't call Ren for the event
I, I am sure that you had everyth ng planned But Ren s your r ght hand
Ren s on a m ss on that only he can do
Only he can do ? I can't th nk of any
It s someth ng nobles like us can never do

D d you call me your majesty

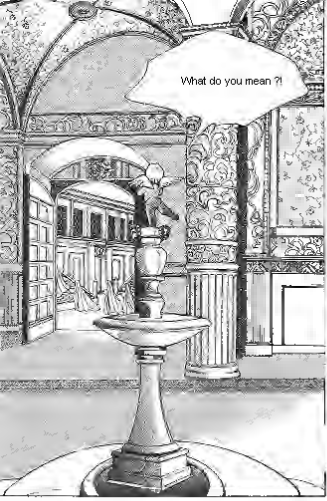
Please come n

Leo,
secure the area.
I want complete
privacy.
Yes, m'lord.
The reason I summoned
you is that
I want to negotiate
with you



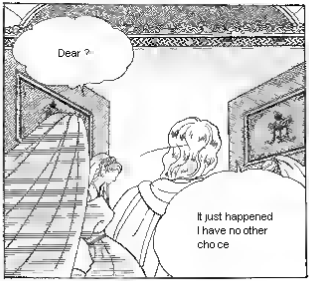
Huh ...just engagement ?
It is really unexpected Since we weren't meddling I thought they would end it right away
The prime minister lost this round

He spent enormous money to make his daughter the queen.
I wonder what made him withdraw so easily.
Tradit on s valued greatly n Ramra I am sure the Ramra counc l wanted the k ng to marry at h s 18th b rthday Somehow it d dn't happen
The Ramra counc l s cons sted of old generat on
Isn't it really strange ?
I see
The k ng of Ramra shouldn't be underest mated then
He s try ng to do someth ng that h s father couldn't do



What do you mean ?!

I was told that everything has been decided ?! But why only engagement ? When will be the marriage ?
I want to be alone.

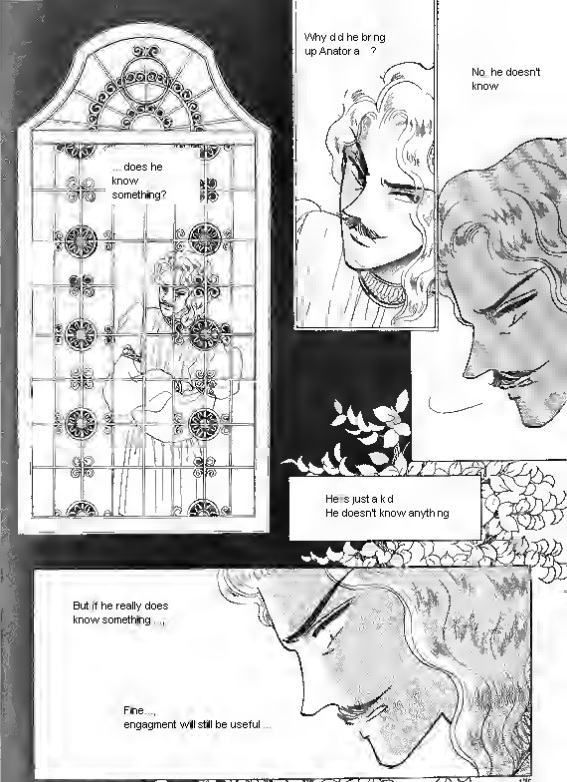


Dear ?
It just happened I have no other cho ce

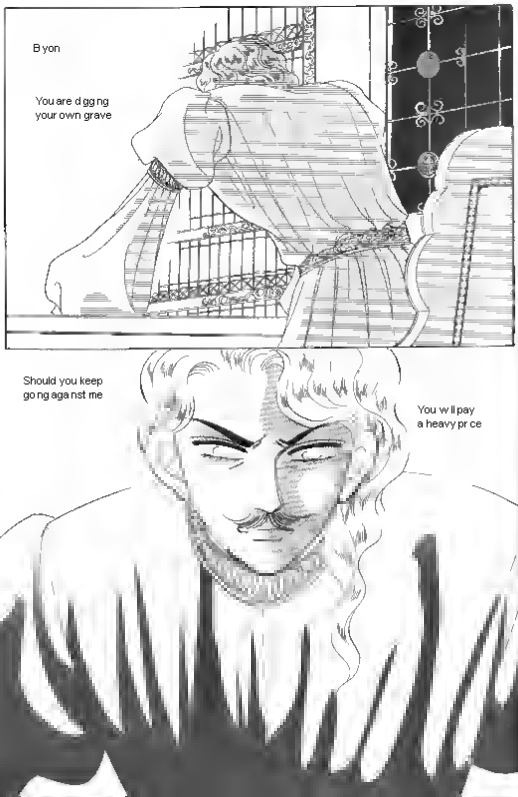
I underestimated h m because he was young
What do you mean ?

Negot at on s re ?
I w ll not share my bed wth anyone for 3 years
Do you want your daughter to be the queen now and let her spend 3 years alone or
shall we end th s wth engagement ?

Ah th s s off top c but
I want you to f nd out why Anator a withdrew so w llngly from th s
If you don't want to I w ll be glad to do it for you
Well s nce Anator a s not meddling n why hurry ?
What do you say pr me m n ster ?
www.janimes.com



... does he know something?
Why did he bring up Anatoria ?
No, he doesn't know
He is just a kid
He doesn't know anything
But if he really does know something ...
Fine ...
engagment will still be useful ...



Byon
You are d gg ng your own grave
Should you keep go ng aga nst me
You w ll pay a heavy pr ce

... They are here.
Open the door
Sre ths way
Secure the area
Yes
my lord!

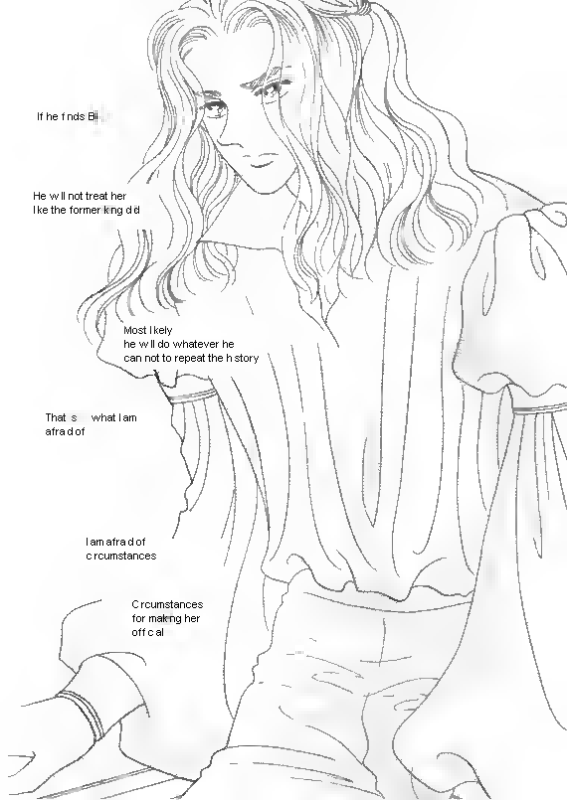
This is the king of Ramira, Pyordoba the third.
Your majesty
Isabella wasn't it ?

Mother I am back
Where is your father ? The engagement s over He should get some vacat on
He had to do someth ng He should be back soon
Hro s f nally recovered and wants to see h s father

Since the king turned 18 regents are no longer needed Now it's time for him to take care of the house
Yes yes I know He's Vada Loyalty is everything he has
Brother
Oh Hiro
Are you feeling fine now ?
He is not fine His fever just died and he's barely able to eat soups
Recover soon
so that I can teach you horsemanship like I promised

Are you sleep ng ?
No. mother
You are so much taller now
You ve fully grown You are now an adult
The k ng s engagement s over now You should f nd your woman as well

I... I don't have a plan yet.
You are the first son of Vaida. Your father married me when he was your age.
When the king marries, I will consider a woman
the reason that the king's postponing his marriage
is it because of Erene's daughter ?
He still hasn't forgotten about her ?
it's really strange. They were separated before puberty
What's with the Pyordoba ? Why can they only love one woman ?
Even if she's found, what's the king going to do ? Is he going to turn her into another Erene ?



If he finds Bi
He will not treat her
like the former king did
Most likely
he will do whatever he
can not to repeat the history
That is what I am
afraid of
I am afraid of
circumstances
Circumstances
for making her
official

Sel ~
Se ?
Where did he go ?
He s not n the cave or up on h s favorite tree
He must have gone deeper into the mountain He so told me not to go deeper
Bah I ke that s go ng to stop me
